

## **PRODUCT INFORMATION SHEET**

### **CarPlan Trade Valet Hi-Wax Rinse**

#### **Description:**

CarPlan Trade Valet Hi-Wax Rinse is a unique revolutionary 'Top Gloss Shine' treatment that has been developed to provide an effortless way of adding a wax like shine to your car in a matter of minutes. Suitable for use via a bucket or jet washer.

#### **Directions For Use:**

##### **To Hand Wash:**

After washing your car with Trade Valet Hi-Foam Wash, fill a clean bucket with cold water and add 250ml of Hi-Wax Rinse. No need to dry first, pour contents of bucket over the car, starting with the roof, then bonnet, boot, doors and finally wheels. Use a chamois or microfibre cloth to remove the remaining wet spots. If product gets onto windscreen or windows, use Trade Valet Crystal Glass to remove.

##### **To Jet Wash:**

After washing your car with Trade Valet Hi-Foam Wash, add Hi-Wax Rinse to the detergent section of your jet washer. No need to dry first, pour contents of bucket over the car, starting with the roof, then bonnet, boot, doors and finally wheels. Use a chamois or microfibre cloth to remove the remaining wet spots. If product gets onto windscreen or windows, use Trade Valet Crystal Glass to remove.
